

Who Depends on Al Massira?

The communities living on a vanishing reservoir — Oum Er-Rbia basin, Morocco

7.7 million

people in the Casablanca-Settat region
(2024 census) rely on this basin

96,000 ha

of Doukkala farmland irrigated from
the Oum Er-Rbia / Al Massira system

-91%

of the reservoir's water surface lost
between 2017 and 2024

Al Massira is also a Ramsar site — a
wetland of international importance for
birds and biodiversity, now shrinking.
